A vibrant blue and orange bird is perched on a weathered log. The bird has a bright blue head and back, with a distinct orange patch on its throat and breast. It is facing left. A white circular graphic with a double-line border is overlaid on the bird's body. Inside the circle, the word "ACCESSORIES" is written in white, bold, uppercase letters. Below the text are three small white diamond symbols arranged horizontally. The background is a soft-focus green, suggesting a natural outdoor setting.
